

REMARKS

In the above referenced Office Action, the Examiner divided the claims into the following groups:

- I. Claims 1-23, drawn to a system for depositing material; and
- II. Claims 24-45, drawn to a method of removing byproducts from a reaction chamber.

In response, the applicants elect Group I, claims 1-23, without traverse. Non-elected claims 24-45 have been canceled without prejudice to pursuing these claims in a continuation, divisional, continuation-in-part or other application.

No fees are believed due with this communication. However, the Commissioner is hereby authorized and requested to charge any deficiency in fees herein to Deposit Account No. 50-0665.

Respectfully submitted,
Perkins Coie LLP
